

Course planing/logistics

1. MATH 3510, Numerical Analysis I, is for me ...
 - a required course
 - an elective course
 - I am not sure

2. I am planing to take MATH 3511, Numerical Analysis II, next semester.
 - absolutely
 - absolutely not
 - I have not decided yet

3. I can bring my laptop to every class ...
 - true
 - false
 - not sure

4. I am primary a user of ...
 - Windows
 - Mac
 - Linux
 - Other (please specify): _____
 - I am not a computer user

5. Proficiency in Matlab:
 - Advanced user
 - Some Matlab experience, do not need a refresher/tutorial
 - Some Matlab programming experience but need a refresher/tutorial
 - No Matlab programming experience
 - Other (please explain): _____
